# Packing Tips:

## *\*Caribou Gear:*

- Clothing and other items can be purchased online and shipped to you or to camp.

## *\*Underwear:*

- Sports socks are preferred, cheap bulk packs are best as socks go missing all the time!

## *\*Shoes:*

- The closed-toed water shoes should be able to be worn into the water like Crocs, closed-toe Tevas, Natives, etc.

\*Please don't send Timberland style fashion boots for rain or hiking (they cause blisters).

## *\*Sports Equipment:*

Caribou provides all sporting equipment beyond what we ask you to send on the packing list, but if your son prefers his own, **please make sure to label the gear clearly, including the gear bags.**

- If you don't have baseball pants, that's ok, sweatpants can be used instead.
- Cleats: they do need at least 1 pair. Soccer cleats are ideal as they can be used for other sports as well.

## *\*Bedding:*

- Bedding and linens may be rented for **International campers only**.
- Please try to find a relatively compact/lightweight option for the sleeping bag.

## *\*More Camp Stuff:*

- Flashlight should be small, ideally one that doesn't require huge batteries.
  - The backpack can be used as their travel day bag.
  - Camping Chair: the collapsible or crazy creek style are the best.
  - Bucket hat is an essential item for sun protection!
  - Small table top fan can be electric: we do have outlets available!
- If using stationary, please pre-address and stamp envelopes for younger campers.

**\*Please make sure ALL items are clearly labeled with his name\***
